Fleming steel door and frame products meet or exceed the performance and quality standards specified and adopted by the Steel Door Institute (SDI), the National Association of Architectural Metal Manufacturers - Hollow Metal Manufacturers Association Division (NAAMM-HMMA) and the Canadian Steel Door Manufacturers Association (CSDMA). Our standard warranty is as follows:

Fleming steel doors and frames are warranted against defects in workmanship for a period of one (1) year from date of supply.

Paintable galvanneal steel doors and frames manufactured by Fleming are warranted for a period of ten (10) years from the date of supply against rust perforation, when installed and finish painted to Fleming’s recommendations.

Finish paint film adhesion on Fleming paintable galvanneal steel doors and frames is further warranted for a period of ten (10) years, when properly cleaned and finish painted with a commercial quality paint to the paint manufacturer’s application recommendations.

Rust perforation and finish paint film adhesion warranties are null and void should the product be subjected to highly corrosive conditions caused by cleaning solutions, chemicals or corrosive atmospheres. These warranties are not to exceed that of the paint manufacturer.
