Sound-Tech Xpress Decorative Panel doors control sound up to a STC 48 rating, while adding beauty and sophistication to the opening.

Sound-Tech Xpress Decorative Panel doors are available in a 6 panel and high definition 2 panel designs. Perfect for apartments, condominiums, mixed use and assisted or senior living facilities. These products are in addition to the flush STC 32 - 66 door and frame systems.

These assemblies include the door frame and approved seal systems with a certified label. All products have been successfully tested to the required ASTM standards, including ASTM E90, ASTM E1332 and ASTM E413. All Sound-Tech Xpress doors are in compliance with HMMA 865 and SDI 128 specifications. Seals and ADA compliant thresholds will be drop shipped to designated address.
