McKinney 4" - 1001 Template
Full Mortise Double Acting Spring Hinge

For 7/8" (22.2) to 1-1/4" (31.7) Thick Doors

Wood Screw Size: 
$\frac{3}{4}$ x 8 F.H.
Notes:
1. This hinge is not to be used on doors with hinge edge beveled.
2. Refer to catalog for door weight and hinge size.
3. Hinges should be inverted on one door of a pair for proper centering.
